H.B. No. 2192

A BILL TO BE ENTITLED

AN ACT

relating to comprehensive information security assessments on state agency information resources and network systems and digital data storage and security.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter F, Chapter 2054, Government Code, is amended by adding Section 2054.136 to read as follows:

Sec. 2054.136. FIVE-YEAR AGENCY INFORMATION SECURITY ASSESSMENT AND REPORT. (a) At least once every five years, a state agency shall conduct a comprehensive information security assessment of the agency's information resources systems, network systems, digital data storage systems, digital data security measures, and information resources vulnerabilities.

(b) Not later than December 1 of the year in which a state agency conducts the information security assessment required under Subsection (a), the agency shall report the results of the study to the department, the governor, the lieutenant governor, and the speaker of the house of representatives.

(c) The department by rule may establish the requirements for the information security assessment and report required by this section.

SECTION 2. This Act takes effect September 1, 2017.
